# ROBBINS NEWS

April 2014

*It's time to get outdoors!*

Spring is finally here! Use the season's burst of blooms as an excuse for a party! With the moderate temperatures and beautiful blooms, there isn't a better time to host friends and family for a day devoted to enjoying your landscape's beauty. It's also a great time to start planning for summer. Give us a call or check out our website to see kitchens, outdoor rooms, patios and water features we have installed.

Every year, the Garden Club of Virginia hosts Historic Garden Week, during which time approximately 250 of Virginia's finest homes and gardens are open to the public! The proceeds from Historic Garden Week allow for the preservation and restoration of many of our state's most precious landscapes and gardens such as Monticello, Montpelier, Mount Vernon, Maymont, and the Pavilion gardens at UVA.

Over the years, the homes and landscapes of several of Robbins Landscaping clients have been featured on the tour! We would like to send a heartfelt "Thank you!" to our valued clients that participate in this Virginia tradition.
