ROBBINS NEWS

October 2014

A WORD FROM OUR GOVERNOR

“I, Terence R. McAuliffe, do hereby recognize October 2014 as **FALL IS FOR PLANTING MONTH** in our **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of all our citizens.”

Location, location, **landscape**. A recent study by RealEstate.com suggests that landscaping and hardscaping can deliver a return on investment as high as 150 percent, putting it ahead of kitchen or bathroom updates. In addition to adding curb appeal, you can extend the usable living space by the addition of outdoor fireplaces, outdoor kitchens, fire pits and patios. Let us help you maximize the return on your investment.

We received a gift from one of our Project EverGreen clients this month. The flag we received was flown in an A-10 “Warthog” during Operation Enduring Freedom in support of our troops. It is an honor to help those who are serving in our country through the GreenCare for Troops program.
